## Digital Scrapbooking Tips

**Where can I learn more about digital scrapbooking?**

We have a number of resources to help you learn to scrapbook the digital way.

Here's a link to our Getting Started Guides.

We also have a wonderful community of members and Creative Team members who are more than happy to help you with questions in our forum.

There are even special boards to help you with your specific software there.

Cassie's tutorials are a terrific place to start. They are chock full of tips, hints and instructions.
